333 W. Colorado Ave Telluride, CO 81435 Hours: M-F 11-5 / Sat-Sun 1-5

This vintage camera collection has more than 125 cameras dating from 1890-1975.

On permanent display at Kamruz Gallery, it is the largest collection of its kind in the four corners area. Photography memorabilia accents the ever growing collection. The cameras are not for sale, though all are functional, save for the hard to find film!

Contemporary art brings the exhibit into modern day : as colorful posters created using the cameras images.
