Kamruz Gallery is collaboration of Telluride business owner Katie DeFrancesco and Boulder photographer Mary Kenez.

Kamruz (pronounced "cameras") exhibits art by an eclectic group of Colorado artists , our art gallery features a colorful spectrum of birds, cows, dogs and bikes!

In addition to photography, paintings and batik, Kamruz will feature a variety of other gift items under \$50. We will keep our prices manageable in hopes that locals and tourists alike will "Choose Art" this Holiday season

Kamruz gifts arent just for humans, your canine will love our hemp-based treats from Baked in Colorado, custom dog bowls and bandanas also.

Canines can experience a little culture on Noel night by viewing the K9 art exhibited at dogs' eye level throughout the gallery.

Artists featured at Kamruz for the Grand Opening will be:

Mary Kenez, Julia Lunk, Ingrid Lundahl, Alex Miedaner, Scott Lindsey, Julie Dunn, Matt Garver, Susan Manchester, Becky Trembley, Bonnie Ward.

Easy to find us in Tellurde - just look for the RED beach cruiser and the RED skis on main street!
