Dear Telluride Business Owner,

We are Telluride Paper Chase, a locally owned and operated business for over 13 years. Many of you know us and have been regular customers throughout. We'd like to take this opportunity to thank you for your business all of these years...we couldn't have done it without you! We have just added new design services and know they will be beneficial to your business.

For those of you that are less familiar with our services, we'd like to change that. Let us take a moment to introduce Telluride Paper Chase and what we have to offer.

Telluride Paper Chase is a copy & print shop and office supply store...with the capability and technology to print anything from letters, blueprints, to wide format color renderings on many different media types.

We have just added services which include graphic design, web site design and photography. Our new design services are both professional and affordable. Telluride Paper Chase can create, or help you create logos, letterhead, brochures, flyers, postcards, posters, business cards, t-shirts, pens, decals, almost any promotional product.

We hope you enjoy your “gift bag”, every item can be customized for your business!

At Telluride Paper Chase we also carry a great selection of greeting cards, art & office supplies, frames and a unique selection of gift items. Our gift and souvenir section has recently expanded into next door, where we partner with Kamruz Art Gallery.

“Kamruz Photography and Art Gallery by Telluride Paper Chase” is a colorful new addition to downtown Telluride, with moderately priced art. The gallery represents artists from Telluride & the surrounding area. Stop by, and make sure to bring your dog in to view the “dog’s eye level” art. Your dog can also sample our healthy hemp dog treats from Baked in Colorado®.

From blue paint to blueprints ...we hope you choose Telluride Paper Chase for your printing, office supplies, gifts, and now... design services.

We look forward to helping you with all of your business and art needs!

Sincerely,

Katie DeFrancesco, Owner
